4.5 You acknowledge that you are aware of the risks relating to entering into Transactions and you accept these risks.

4.6 You will notify MUFG Germany branch without delay of any changes in your situation as this could lead to a different investment objective or different preferences regarding risk taking.

6.1 We do not provide personal recommendations, particularly we do not provide investment advice or portfolio management investment services (as meant in Applicable Regulations) or any advice on the merits or suitability for you of particular Transactions or Investment Services, or their taxation consequences.

6.2 In asking us for Transaction related information, or where you enter into any Transaction with us, you represent that you have been solely responsible for making your own independent appraisal and investigations into the risks of the Transaction. You represent that you have sufficient knowledge, market sophistication, professional advice and experience to make your own evaluation of the merits and risks of any Transaction.

(i) this is incidental to your relationship with us. It is provided solely to enable you to make your own investment decisions and

Terms of Business relating to Investment Services to Retail Clients

does not amount to a personal recommendation or advice;

(ii) although we aim to provide comprehensive information also with regard to tax consequences, such information cannot be expected to be accurate and complete;

(iii) where information is in the form of a document containing a restriction on the person or category of persons for whom that document is intended or to whom it is distributed, you agree that you will not pass it on contrary to that restriction; and

(iv) you accept that prior to despatch of Research, we may have acted upon it ourselves or made use of the information on which it is based. We will send such information also to other clients in a timely manner at our sole discretion. Any published Research reports or recommendations may appear in one or more screen information services.

7. Product governance

If we act as manufacturer or distributor of a product, where you onward distribute that product you shall use reasonable endeavours to ensure that:

(a) you distribute within any target market we have identified;

(b) you ascertain the target market and provide the target market to any third party distributors you distribute that product to; and

(c) your distribution of that product is limited to the target market that we have provided or that you have identified and, where necessary, you will provide us with any relevant information required under Applicable Regulations.

8. Client Categorisation

8.1 Your classification in all our dealings with you will be a Retail Client, as stipulated in the covering letter, or electronic mail (as applicable), that accompanies these ToB.

8.2 Your classification as a Retail Client relates to the level of regulatory protections you are afforded when conducting business with us and is assessed upon the size of your business and the level of financial sophistication and trading experience that you have. You have the right to request a different client categorisation. If you request categorisation as a Professional Client, fulfil the requirements set out in the Applicable Regulations and we agree to such categorisation, these ToB would not apply to the business MUFG Germany branch conducts with you and we would no longer be required by regulatory rules to provide certain protections granted to Retail Clients.

8.3 MUFG Germany branch can only treat you as a Professional Client if certain criteria are met and certain procedures followed. We must carry out an adequate assessment of your expertise, experience and knowledge to satisfy ourselves that you are capable of making investment decisions and understanding the risks involved. You agree and acknowledge that you are responsible for keeping us informed about any change that could affect your categorisation as a Retail Client.

8.4 MUFG Germany branch may require reasonable verification of your, or your employees', officers' or associates', identity, which you agree to provide. MUFG Germany branch may also request or obtain (including but not limited to) additional information in relation to the ownership structure, credit standing and business conduct of you and those connected with you. If MUFG Germany branch is not satisfied with the information provided, MUFG Germany branch may request additional information. MUFG Germany branch has no obligation to provide the Investment Services contemplated by these ToB and may not provide any such services until verification procedures have been completed to the satisfaction of MUFG Germany branch.

Terms of Business relating to Investment Services to Retail Clients

MUFG Germany branch may in any event rely on any information provided by you and will not be required to verify the correctness of such information.

8.5 You may, at any time, request MUFG Germany branch in writing to change your client categorisation. Such a request must relate to the entire relationship with us. MUFG Germany branch can reject the request if deemed inappropriate or if accepting such a request is not permitted by any applicable law.

8.6 You undertake to forthwith report any changes that lead to a change in your client categorisation, as it is described in the covering letter, or electronic mail (as applicable), to MUFG Germany branch in writing.

8.7 Categorisation for the purposes of compliance with the requirements of the European Markets Infrastructure Regulation (EMIR) is addressed in Schedule 3.

9. Appropriateness assessment

9.1 MUFG Germany branch will obtain certain information from you to determine whether you have the necessary experience and knowledge in order to understand the risks involved in relation to the product or Investment Services you are seeking from us. This is applicable to complex products such as warrants, options, futures, contracts for differences, and some structured products. If we are satisfied that you have the necessary experience and knowledge there is no requirement on us to communicate this to you. We will inform you if we consider an Investment Service not as appropriate for you based on our assessment. Where a bundle of Investment Services or products is envisaged between us then our assessment must consider whether the overall bundled package is appropriate for you.

9.2 In order to assess the appropriateness of the Investment Services, you will undertake to provide to MUFG Germany branch upon its request all information including (i) the types of service, transaction and financial instrument with which you are familiar, (ii) the nature, volume, and frequency of the your transactions in financial instruments and the period over which they have been carried out; (iii) the level of your education, and profession or relevant former profession. In order to assess whether the Investment Services are appropriate for you, you may be required to fill out an appropriateness questionnaire.

9.3 You represent and warrant that all information provided for the above referenced assessment is complete and accurate in all material respects.

10. Conflicts of interest

10.1 MUFG Germany branch has in place a written conflicts of interest policy. A summary of our conflicts of interest policy is set out in Schedule 2.

10.2 You acknowledge that MUFG Germany branch provides services in respect of a range of investment related activities to a number of different clients and accordingly that MUFG Germany branch may have an interest, relationship or arrangement that is material in relation to a transaction effected with or for you (or a Transaction) or that could give rise to a conflict of interest.

10.3 You agree that MUFG Germany branch does not have a duty to disclose any matter which comes to its notice in the course of its business if doing so would constitute a breach of duty or confidentiality (as the case may be) owed under the terms of any other arrangement or agreement entered into with a third party (including another of

Terms of Business relating to Investment Services to Retail Clients

MUFG Germany branch's clients), or such disclosure would otherwise be in breach of any regulatory or legal obligations. In such circumstances MUFG Germany branch may refuse to act in a situation where it is unable to resolve the conflict or disclose it to you.

10.4 You agree that MUFG Germany branch and any Connected Company may therefore effect transactions in which MUFG Germany branch or a Connected Company or another client of MUFG Germany branch or a Connected Company has, directly or indirectly, a material interest or relationship of any description with another party which involves or may involve a potential conflict with our duty to you, where that conflict has, in MUFG Germany branch's reasonable opinion, been managed effectively in line with the conflicts of interest policy.

11. Instructions

11.1 You may give us instructions in writing, orally (including by telephone) or by other electronic communication received by us that has been transmitted subject to proper test or security procedures (including, for example, Bloomberg) unless we tell you that instructions can only be given in a particular way. If you give instructions by telephone, your conversation will be recorded, as set out in clause 20. Unless otherwise agreed, e-mail or other electronic messages in respect of each instruction for general trading will only be accepted if specifically acknowledged by us. With the exception of telex and SWIFT messages, no settlement instructions will be accepted by e-mail or other electronic means unless otherwise agreed. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorised to follow instructions notwithstanding your failure to confirm them in writing. In these ToB "instructions" and "orders" have the same meaning.

11.2 You authorise MUFG Germany branch to rely and to act without further enquiry on any order, instruction or communication (however received or by whatever means transmitted) which purports to have been given by you or your agents or employees and which has been reasonably accepted by us in good faith.

11.3 You agree that you will be responsible for and bound by any contract or obligations entered into by MUFG Germany branch or assumed by MUFG Germany branch on your behalf in consequence of or in connection with your order or instructions.

11.4 Your instructions are an offer to MUFG Germany branch to enter into an individual Investment Services agreement for this specific Investment Service with us. MUFG Germany branch may at its sole discretion, refuse to act upon, execute or otherwise implement any instruction or request from you without giving any reason for such refusal. MUFG Germany branch will notify you without undue delay if it accepts your offer or refuses your offer. An acceptance can also be the execution of the instruction or order.

11.5 Instructions may only be withdrawn or amended by you with our consent.

11.6 MUFG Germany branch may act upon instructions given by you by telephone. Nevertheless, you are obliged to confirm your instructions by telephone promptly thereafter in writing upon request by MUFG Germany branch.

11.7 We have the right (but no obligation) to set limits and/or parameters to control your ability to place orders based on reasonable grounds. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): (i) controls over maximum order amounts and

Terms of Business relating to Investment Services to Retail Clients

maximum order sizes; (ii) controls over our total exposure to you; (iii) controls over prices at which orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book); (iv) controls over any electronic services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); or (v) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

12. Execution Arrangements

12.1 MUFG Germany branch has in place arrangements to enable MUFG Germany branch to obtain the best possible result for clients, within the terms of MUFG Germany branch's the "order execution policy", a summary of which is available in Schedule 4. Our order execution policy can be accessed on our website.

12.2 You confirm that you have read and accepted our order execution policy. We will notify you of any material changes to our order execution policy. We will not notify you of non-material changes to such policy.

12.3 MUFG Germany branch will, on request and if applicable, demonstrate that your orders have been executed in accordance with the order execution policy.

12.4 Where we execute orders in Financial Instruments on your behalf, we will take all sufficient steps to obtain the best possible result by following our order execution policy, subject to any specific instructions received from you.

12.5 Where you provide us with specific instructions, including specifying the characteristics of a bespoke product, either relating to an order or a particular aspect of an order, we will execute the order in

accordance with those instructions. Accordingly, our order execution policy will not apply. We will deem orders received via direct market access systems as specific instructions.

12.6 We shall use our reasonable endeavours to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such order or that execution will be possible according to your instructions. We shall carry out an order on your behalf only when the relevant Market is open for dealings, and we shall deal with any instructions received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). Where required, you will agree that we may execute an order on your behalf outside a Market. We operate on a request for quote basis and only accept orders on a very limited basis.

12.7 Please note that it is common market practice for banks such as MUFG Germany branch when executing Transactions to deal with you on a proprietary basis by providing quotes at your request.

12.8 Pursuant to section 82 para. 5 sentence 2 WpHG, we are obliged to request your consent to your orders relating to Financial Instruments being executed by us outside a regulated market, MTF or OTF. You are required to provide us with your consent by filling in and sending us the "Trading Off Trading Venue (TOTV) Form Of Consent" within one month upon receipt of the Trading Off Trading Venue (TOTV) Form Of Consent.

13. Aggregation and allocation

MUFG Germany branch may aggregate orders in Financial Instruments executed for your account with orders for the account of other clients or our Connected Companies or clients of our Connected Companies or for

Terms of Business relating to Investment Services to Retail Clients

our own account. MUFG Germany branch will allocate such transactions on a fair and reasonable basis subject to Applicable Regulations. You recognise that each individual aggregated transaction may operate to your advantage or disadvantage.

14. Confirmations

14.1 MUFG Germany branch will send you confirmations in accordance with Applicable Regulations for any Transactions that we have executed on your behalf, by electronic mail to the e-mail address on record for you, or by such other means agreed between you and us. In addition to providing you with confirmations we shall, on your request, provide you with information about the status of your order.

14.2 It is your responsibility to inform us of any change to your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect before settlement. Confirmations shall, in the absence of manifest error, be conclusive and binding on you, unless we receive from you objection in writing within two business days of despatch to you or we notify you of an error in the confirmation within the same period.

14.3 In accordance with Applicable Regulations we will also provide you with post-trade reports for any Transactions that we have executed on your behalf, either with your confirmation or as a separate document. Such reports will be provided as soon as possible after execution but in any event no later than as required by Applicable Regulations or where relevant following our receipt of a confirmation from a third party.

15. Performance and settlement

15.1 You will promptly deliver any instructions, money, documents or property deliverable by you under a Transaction in accordance with that Transaction as modified by any instructions given by us for the purpose of enabling us to perform our

obligations under the relevant matching Transaction on a Market or with an intermediate broker.

15.2 In relation to Transactions with MUFG Germany branch only, all Transactions are settled on an actual settlement basis. We are not obliged to settle transactions or account to you unless and until we (or our settlement agents) have received all necessary documents or money. Where we settle transactions for you, delivery or payment by the counterparty is entirely at your risk. Unless otherwise specifically agreed with you, settlement shall be carried out in accordance with market practice and Applicable Regulations.

15.3 We may require you to limit the number of open positions which you may have with us at any time and we may in our sole discretion close out any one or more Transactions in order to ensure that such position limits are maintained.

15.4 Under Applicable Regulations we will publish annually information on the top five execution venues we have used in terms of trading volume for classes of Financial Instruments when executing client orders. We will provide similar information for the top five third parties (i.e. brokers) to which we have routed your orders, where relevant, and any other information relating to execution venues required by Applicable Regulations. We will provide this information separately for securities financing transactions, such as stock lending. This information will be published on our website in accordance with Applicable Regulations but we may also provide this to you directly.

15.5 If we act in the capacity of a systematic internaliser and we make public firm quotes in certain Transactions, in accordance with Applicable Regulations, you agree that we may limit: (i) the number of

Terms of Business relating to Investment Services to Retail Clients

Transactions that we undertake to enter into with you at the published quote; and (ii) the total number of Transactions that we undertake to enter into with other clients at the published quote. Where we grant access to quotes provided by us in our capacity as a systematic internaliser, and the quoted size is at or below the size specific to the financial instrument, we may enter into a Transaction with any other client to whom the quote is made available, in accordance with Applicable Regulations.

16. Charges

16.1 You shall pay our charges; any taxes imposed by any competent authority on any account opened or Transaction effected by or cleared for you; any fees or other charges imposed by a Market or any clearing organisation; interest on any amount due to us at the rates then charged by us; and any other value added or other applicable taxes of any of the foregoing, including any withholding tax. Any alteration to charges will be notified to you before the change applies. You should be aware of the possibility that other taxes or costs may exist that are not paid through or imposed by us.

16.2 In addition to the costs referred to in clause 16.1, additional costs as agreed with you from time to time in writing may be payable by you by virtue of the fact that a contract is entered into via email, telephone or by other electronic means.

16.3 MUFG Germany branch is not permitted to accept or retain any fees, commissions, monetary or non-monetary benefits (each an inducement) paid or provided by a third party in relation to Investment Services provided by us to you. We are similarly not allowed to pay or provide any inducement to any third party in relation to the provision of Investment Services to you. We can only accept or retain or pay or provide such inducements if they

meet the conditions set out in Article 168a(2) of the Market Conduct Supervision (Financial Institutions) Decree (*Besluit gedragstoezicht financiële ondernemingen Wft*).

16.4 Where permitted by Applicable Regulations, we may receive remuneration from, or share charges with, an associate or other third party in connection with Transactions. Where such arrangements directly affect the business you undertake with us, we will notify you of the nature and amount of such fees, commissions or benefits, excluding minor non-monetary benefits.

16.5 Any charges due to us plus any applicable value added tax may be deducted from any funds held by MUFG Germany branch on your behalf or, at our discretion, shall be paid by you as stated in the relevant contract note or advice at settlement.

16.6 All amounts payable will automatically be debited from your Cash Account on the due date if applicable, unless otherwise agreed upon between you and MUFG Germany branch.

16.7 If you fail to pay any amount on the date on which it is due and payable to us, MUFG Germany branch reserves the right to charge you interest on any such amount from the date of such failure to pay until the date of actual payment. Interest will accrue on a daily basis and will be due and payable by you as a separate debt.

16.8 Interest will not be payable to you in respect of any money that MUFG Germany branch holds for you (including, in particular, funds received in advance of the due date for settlement), unless specifically agreed by MUFG Germany branch in writing.

Summary of conflicts of interest policy

We have in place a written conflicts management policy. A summary of our conflicts management policy is set out below. We may provide more information on our website or we may provide this to you upon written request.

MUFG is engaged in a range of regulated businesses in the Netherlands. This may give rise to situations where MUFG, under Applicable Regulations:

- (i) may have interests, relationships and/or arrangements which conflict with those of you whether in relation to these ToB or otherwise; and/or
- (ii) may have other clients whose interests conflict with your interests.

MUFG has established a written conflicts policy to manage conflicts of interests. Pursuant to this policy, MUFG will, in providing services to clients, ensure that all clients are treated fairly and, so far as is reasonably practicable, MUFG will ensure that such transactions are effected on terms which are not materially less favourable to you than if the conflicts or potential conflicts had not existed.

We have measures and controls in place to identify both potential and actual conflicts of interest. This includes, for example, identifying situations where we are likely to make a financial gain, or avoid a financial loss, at your expense or where we carry out the same business as you. We have identified a wide range of scenarios where a potential conflict of interest may arise, in particular where we or our associates provide corporate

finance business and where we deal on our own account.

In addition to identifying conflicts, MUFG has procedures to try and prevent conflicts from arising and also to manage conflicts of interests that do arise. This includes segregation of duties for and supervision of staff engaged in different business activities which may also include information barriers (both physical and systems access), maintenance of a restricted list, personal account dealing restrictions applicable to all staff and their connected persons, a gifts, entertainment and inducement policy, relevant training to staff and a remuneration policy and independent remuneration committees to deal with remuneration that may or does give rise to a conflict of interests.

Where we do not consider that our measures and controls to manage conflicts (such as those outlined above) are sufficient to manage a conflict, we may:

- (i) choose to disclose specific conflicts to clients and to ask for their informed consent to continue to act, notwithstanding the existence of any such conflict; and/or
- (ii) decline to act, for example where the group is already acting for another client and we consider that it would may be inappropriate for us to undertake business for you and we are not in a position to manage the conflict of interest on a reasonable basis or are precluded from doing so by a legal or regulatory constraint.

4.3 We will make reasonable endeavours to ensure that we perform a portfolio reconciliation exercise with you as set out in the table below. Where two Confirmation Deadlines are applicable to you, the earlier Confirmation Deadline shall apply.

agreement, by operation of law or otherwise. Action or inaction by a party in respect of this Derivatives Compliance Schedule will not be presumed to operate as an exercise or waiver, in whole or part, of any right, power or privilege such party may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise. In particular, but without limitation, (i) any valuation in respect of one or more Derivatives for the purposes of this Derivatives Compliance Schedule will be without prejudice to any other valuation with respect to such Transactions made for collateral, close out, dispute or other purpose; (ii) the parties may seek to identify and resolve issues and discrepancies between themselves before either party delivers notice of a Dispute; and (iii) nothing in this Derivatives Compliance Schedule obliges a party to deliver notice of a Dispute following the identification of any such issue or discrepancy (notwithstanding that such issue or discrepancy may remain unresolved) or limits the rights of the parties to serve notice of a Dispute or otherwise to pursue any dispute resolution process in respect of any such issue or discrepancy.

You further acknowledge that, for the purposes of complying with regulatory reporting obligations, MUFG may use a third party service provider to transfer trade information into a trade repository and that a trade repository may engage the services of a global trade repository regulated by one or more governmental regulators. You also acknowledge that disclosures made under this Derivatives Compliance Schedule may

be made to recipients in jurisdictions other than that of MUFG or a jurisdiction that may not necessarily provide an equivalent or adequate level of protection for personal or other data as your home jurisdiction. For the avoidance of doubt, (i) to the extent that applicable non-disclosure, confidentiality, bank secrecy, data privacy or other law imposes non-disclosure requirements on transaction and similar information required or permitted to be disclosed as contemplated herein but permits a party to waive such requirements by consent, the consent and acknowledgements provided herein shall be a consent by each party for the purposes of such law; (ii) any agreement between the parties to maintain confidentiality of information in relation to Derivatives or in any non-disclosure, confidentiality or other agreement shall continue to apply to the extent that such agreement is not inconsistent with the disclosure of information as set out herein; and (iii) nothing herein is intended to limit the scope of any other consent to disclosure separately given by you to MUFG.

8. Liability

Without prejudice to the rights, powers, remedies and privileges provided by law, failure by you or us to take any actions required by or to otherwise comply with this Derivatives Compliance Schedule or any inaccuracy of the representation and warranty regarding confidentiality, in either case, will not constitute an event of default in respect of either party or any other event which permits either party to terminate any transaction or agreement between the parties.

Schedule 4

Summary of order execution policy

1. Scope

1.1 MUFG operates an Execution Policy ("**Policy**") that is in accordance with MiFID II. This Policy is available on our website. A summary of our Policy is set out below.

When execution orders or a transaction in Financial Instruments for you, MUFG will take all sufficient steps to obtain the best possible results for you.

1.2 MUFG only transacts with you on the basis of "Request for Quote" or "**RfQ**". RfQ means that you submit a request for a quote for (the price of) a certain Financial Instrument to which MUFG responds with a quote. Where you request the execution of a transaction, the transaction must take place according the specific instructions of you (*i.e.* the transaction must be executed on the basis of the price quoted by MBE, subject to limited exceptions in the case of an outdated quote).

1.3 All transactions in Financial Instruments will be executed by MUFG as counterparty and outside a trading venue (as defined in MiFID II). Information can be provided on request with regards to the possible consequences of trading off-venue.

2. Best Execution

MUFG will always try to put your best interest in relation to a transaction. Where we execute a transaction in Financial Instruments with you and in all instances where the Four Fold Test for Professional Clients is not met, we will apply Best Execution by way of performing a "fair price assessment" before executing the transaction. This fair price assessment is to check to ensure the price we propose to you is fair, by

gathering market data used in the estimation of the price of the Financial Instrument and, where possible, by comparing with similar or comparable instruments.

3. Specific Instructions

3.1 Where you provide MUFG with specific instructions, MUFG will execute the transaction in accordance with those instructions. In doing so, MUFG will be deemed to have satisfied its Best Execution obligations. Where your instructions relate to only part of the transaction, MUFG will continue to apply this Policy to those aspects of the transaction not covered your specific instructions.
